SALES OF ANIMALS

All market stock entered in the Show will be accepted with the distinct understanding that they are to be sold at auction on the final day of the Show. Animals other than Grand and Reserve Grand may be withdrawn from the show prior to the sale and go on to the next show as long as it meets the tagging requirements.

Exhibitors are required to notify the Stock Show secretary of the withdrawal of animal within 30 minutes of the conclusion of the beef judging.

If an exhibitor shows more than one animal, only one may go through the auction sale ring. Those additional animals will be sold at the floor price per pound.

Exhibitors will be required to sign a form designating which animal to sell for floor price, which will go through the sale ring, and/or which will be removed from the grounds to go home after the sale. In the event an exhibitor fails to notify the Show Secretary, the decision on which animal to sell through the auction ring will be made by the Board. The remaining animals will go to the packer. **The Board's decision is final.** The only exception to this rule is in the event that more than one of an exhibitor's animals have won Grand and/or Reserve Champion, in this case all such animals will sale through the ring.

The Show management shall have the entire and complete say as to how and when the animals are entered in the auction sale. **MARKET ANIMALS WILL BE SOLD BY THE HEAD. PACKER PRICE (FLOOR PRICE) PER POUND WILL BE PAID ON THE ANIMAL'S WEIGHT AT THE TIME OF WEIGH-IN.**

It shall be the aim of the Show officials to so classify entries in the sale that animals of similar quality shall follow each other according to merit of all breeds entered, and not necessarily in order of standing in the show ring. Checks from the sale of animals will not be issued until the bookkeeping has been properly performed.

ALL SALES WILL BE FINAL WHEN THE ANIMAL LEAVES THE RING.

SIFTED ANIMALS

Any animal may be subject to sifting. An animal deemed to not be of the desired quality or which would tend to detract from the sale may be held from the sale at the discretion of the Show management. Owners will be so notified, and reasons explained before the sale begins. Any animal not properly fitted and conditioned will not be judged. All underweight market animals will be sifted.

LIABILITY

All exhibitors will be under the control and direction of the management of the show, but the Millard County Jr Livestock Show will not be responsible for any loss or damage which may occur. Each exhibitor will be solely responsible for any loss or damage done to another or occasioned by or arising from any animal exhibited by said exhibitor and shall indemnify the Millard County Jr Livestock Show against all legal or other proceedings in regard thereto.

TERMS AND CONDITIONS

The terms of the sale are cash, FOB SHOWBARN, and no animal may be removed until settlement has been made unless other arrangements are made prior to the sale in writing with the Show Manager. All bidders must be registered and contact information on record with the Show secretary (435-406-1346) prior to bidding. Show management reserves the right to deny bidding privileges to those with outstanding balances from previous sales. Accounts that are past due, will not be allowed to enter show. Interest of 5% will be charge on all unpaid balances after July 31st.

Each animal will be sold to the highest bidder and the auctioneer will settle any dispute as to bids. Announcements made from the auction block take precedence over any printed matter. **All accounts are due and payable within 30 days of the sale.**

Everyone attending the sale does so at their own risk and the Millard County Jr Livestock Show assumes no liability, legal or otherwise, for any accident which may occur.

PROTESTS

All protests must be made in writing and presented to the Show Manager within 8 hours after the cause of the protest.

WEIGHING

Upon arrival all animals will be weighed on certified scales. All animals will be sold on those weights.

Livestock weights may not be challenged except at time of weighing of entries. **ENTRIES WILL BE WEIGHED ONLY ONCE AND ONLY BY THE OFFICIAL WEIGHMASTERS AS APPOINTED BY THE SHOW MANAGER.** Buyers will be required to pay the floor price for the actual weight of the animal, or the maximum allowed weight, whichever is less. This will eliminate any need to excessively shrink an animal, subjecting them to dehydration injury which is a very undesirable and poor practice.
